Ex-Forces	15%

Valuable ex-military experience includes:

Ordnance, Avionics, Sonar, Radar, Telecomms & Satcomms, IT, Ships Engineering, Surveying

What ex-forces personnel say...

‘I thought the transition from Naval life to civvy street would be a challenge, but it was made easier by my new colleagues who made me feel very welcome’

‘The camaraderie at Gardline is very similar to the Air Force, in fact it was more like a reunion on my first trip, when two of my ex-colleagues were on the same boat’

‘The group I had my initial training with were great, it really made me feel confident about my skills and my new career’

‘Working at sea suited the teamwork ethic engrained in me by 22 years in the Navy’
